### Woop it up in the kitchen

A Kiwi home-food delivery company created by an award-winning food entrepreneur is aiming to raise \$800,000 via crowdfunding to tap into the growing demand for quick gourmet home meals. WOOP (World On Our Plate) offers convenient, high-quality, home-delivered meals that can be made in just 15 minutes for people who want nutritious, healthy options inspired from around the world. The new service was created by Thomas Dietz who launched the Tomette brand of ready-made French-style meals into supermarkets. The WOOP investment offer is live now.
